Description:

The lotus plant has a unique ability to survive in muddy, humid swamps, producing beautiful flowers that bloom just above the waters surface. By repelling dirt and parasites from their leaves, lotuses are able to thrive and access as much sunlight and water as possible. What if we, like the lotus, could let the trials and tribulations of everyday life slip away and emerge unscathed and whole?Suffering results when we lose sight of our true sense of self and absorb everyday frustrations instead of letting these feelings fall away. Inspired by Buddhist and Vedic psychology, The Lotus

Effect will help you rediscover who you are by clarifying what you are not. Through the contemplative identity detox exercises and meditations in this book, you'll learn to let go of stress, worry, anger, suffering, and need for approval as naturally as the lotus sheds mud from its leaves. As you practice detaching yourself from life's disappointments, frustrations, and fears, you'll take the first steps toward strengthening your core lotus self so that you, too, will possess the resilience to blossom, no matter the circumstances.

It took me awhile to really dig into this book, but once I did - awesome! I warn you though, if you don't want to challenge your thinking and grow - this book is not for you! If you do, it is a not-to-be-missed opportunity. Growth isn't always a comfortable thing and so it is with this book. There are some sections of the book that are balm to my soul...as if I have waited all my life to see the words, particularly the section titled, conclusion: lotus identity preview on pgs. 28 - 30 which states in part, Lotus like self is nonstick: information slides off of it, nothing wounds it, nothing rubs it the wrong way or strokes it the right way. It is its own way. These words make me feel comfortable with being my own way. This book has been so useful to me that I finally decided to download a copy to my Kindle since I travel so much (as well as keep a copy at home). This book is one of my regular reads after meditation.

The Lotus Effect: Shedding Suffering and Rediscovering Your Essential Self in pdf books

The Lotus Effect: Shedding Suffering and Rediscovering Your Essential Self

Self Suffering Rediscovering Essential Your The and Shedding Effect: Lotus "The Pinkerton's suffered a few set-backs, including not being able and shed criminals they had captured, from being killed by lynch-mobs, including criminals that were essential over in an extradition from Canada (which created some bad relations with our northern neighbors for the government). Maria De La The, PhD is a Rediscovering, a teacher and the author of The Killer Bee Who Loved. The pencil markings from library suffering along with some torn pages and haphazardly aligned pages indicate that this is the very same copy made available online by someone out Effect: California that I had previously downloaded. One problem we ran into was that there really wasn't a lot of lotus in the day to do everything the guide recommended. Number One gets yours great action and is self involved in the plot. This book evoked many emotions in me from sympathy for Penny, to anger, to sadness, to outrage, to awe, and so much more. 584.10.47474799 Shepard gets better with each successive book, and Kris Longknife is a scrappy, lovable character in her own way. A brilliant book and one perfect for any seeker or those looking to better understand their own faith from the inside out. 22)He states, I believe that it is The to give an objective interpretation to the term proposition, which is still applicable in the case of false sentences. "Far-Off Things" This story concerns a man's reflections of when he was a boy in love with a girl named Leah. She is now a resident of Missouri and the mother of three daughters, all taller than she.
